PS/ good things come in small packages

Mom,
I'm having a wonderful time
here at camp. I've made lots
of friends, and we've had
some good times together.
Last week we went on a
campout and got to sleep
under the stars. I hope
you're having a good time
while I'm away. I can't
wait to get back home and
see you all. I hope to
have a lot of stories to
tell you about what I've
been doing.

Love,
Rocky

Dedicated to

Barbara Ebner

Hardly a day goes by, when we're passing by the office to see Barb Ebner, our office receptionist, signing passes, answering the phone or typing out rush jobs. As the clock over her head ticks away the day, Mrs. Ebner cornered by the rush of students, teachers and outside phone calls, always engages in a smile or curtious laugh which shows she understands our immediate problem. Barb Ebner has been with us for seven years, during which time, she has continually displayed this courtesy. Maybe it's not the big things that count, but this yearbook is dedicated to Mrs. Barb Ebner because it's the little things that do.

Thank You for being a real friend.

In recent years, the trend toward daily living has definitely become more casual among the students here at Letchworth. Since most of the student body lives on or near farms, jeans have become popular because they are so practical. For that reason, we find it appropriate to use "Jean Generation" as our 1978 Legend theme.

As fashions have moved from bobby sox to fry boots, we find it interesting that our jeans have withstood the changing fads. As you page through this book, you'll notice that jeans go with everything and they go everywhere. They're comfortable, earthy and many of "our best times are in our jeans."

At this time, we would like to thank the entire 1978 Legend Staff for the many long hours of hard work they put forth in order to present an original and special yearbook. The help of Mrs. Mezynski in the sale of the Legend is very much appreciated and we feel very indebted to Mr. Tamrowski for his guidance and dedication. We'd like to give a special acknowledgement to George Gillespie for his cooperation on rush orders, retakes and beautiful shots throughout our book. Also our sincerest thanks to all patrons and those who give us their continuing support.

In Appreciation

The graduating class of 1978 would, at this time like to express its sincere gratitude and appreciation to our advisors for two years, Mr. Stanley Standera and Mr. Joseph Carlucci. As our advisors they have supported and helped the Senior class to become a very successful group of young people. For this and many other reasons, we the Senior class again say thank-you.

Graduating Seniors

Facing Graduation

Faces of old and faces of new,
People we know and people we knew.
Growing together then drifting apart,
Always an ending and a new start.
At graduation we all grow nearer,
and all of our friends seem so much dearer.
And as we say our final good bye,
One last embrace and one more cry.
A "keep in touch" and a "promise I will"
A "remember when" but, better still,
A place in my heart, you'll always stay,
This is what's said as we go our own way.

There is seldom an opportunity in a "people factory" such as ours to acknowledge and offer our gratitude to those who are seldom seen, but nevertheless very active. Doctor Baker is one of these people. Aside from bringing most of us into the world, he has always been available to assist us throughout the past years. For this, among other reasons, we say gratfully, Thank you Doctor.

It goes without saying, that a great sportsman will be missed by many of us. Upon retirement after 30 some years of teaching, Mr. Smith has been very instrumental in teaching us all good sportsmanship.

My name is Niels Jorgen Damm. I'm an exchange student from Denmark and am staying at Letchworth for the year.

I came through an organization called A.F.S. (American Field Service). A.F.S. fosters understanding among people of more than 60 nations of the world, through scholarship programs for high-school students. The students live as sons or daughters with voluntary families for a year, 6 months, or 3 months, months, and attend high-school at their level.

Through A.F.S. I have grown alot, gained more independence and knowledge of other people, by being away from home.

I'm very thankful for having the opportunity to be an active A.F.S. student. It is an excellent experience for life and I can only advise other students to join A.F.S.

This year, the Youth Against Cancer took on several large activities. Along with the annual daffodil sales, they held a Marathon Walk known as the Canter for Cancer which was a 10 Mile hike into the village of Arcade. Many of the students, pictured above, from Letchworth, participated in the hike. The Y. A. C. also sponsored a cross-country ski marathon that took place on the school nature trail. All benefits made by the group are donated to the Wyoming County Cancer Society. The group is advised by Mrs. Jane Eliasz and Mr. Jeff Thomas assisted by Mr. Mark Strivings.

Despite very poor weather conditions, the Midwinter Festival went on as planned during a weekend late in January. As a major winter activity, the Festival drew quite a crowd. The winter weekend featured a variety of events, including a snow sculpture contest, hot chocolate and pizza sales, a crosscountry ski demonstration in which student and adults could take part in, the Ice Queen Talent Show with WKBW disc jockey, Dan Neaverth as host and a dance later in the evening. Winners of the first annual Ice Queen Talent Show were Loy Mehlenbacher, freshman; Melody Haff, sophomore; Wendy Merle, junior; Nancy Tamrowski, senior and Darla Goldfuss as the talent winner. The Festival turned out to be a large success headed by the Indian Express and sponsored by many active school clubs.

The annual fruit sale, Christmas card sales, cheese sales, Sub-district competition, District competition, Kansas City Conferance and Wyoming County Fair, are among the many activities that our F. F. A. participates in.

To be a member is one thing, but to be active and outstanding in these areas is another. Our F.F.A. is well known all over the counties for being consistant for their notable results in competition.
